Description

In this short book, C.C. Crowston describes Satan's origin, his present activity, and his future destiny. Satan is truly a defeated foe, but today he acts as a thief seeking to "steal, and to kill, and to destroy" (Jn.10:10). However, despite this, the believer in Christ can live victoriously over Satan and his host of demons through submission to God and obedience to His Word.

24 Pages - Softcover - Author: C. C. Crowston
