### Description

The sudden change that occurs in the life of one who chooses Christ as Savior is only the beginning of a totally new experience. The new Christian realizes that somehow he is different, but often that sense of difference is swallowed up in confusion. At this crucial time sound biblical instruction is essential. Now That I Believe provides clear teaching on basic themes especially chosen with new converts in mind.

Now That I Believe offers counsel drawn from biblical truth and genuine experience. The subjects brought under consideration include facing temptation, lasting joy, development of Christian character, prayer, Bible study, persecution, witnessing, worldliness and knowing God's will.

Now That I Believe has been an invaluable aid to hundreds of thousands of Christians. Informal in style and simple in language, its choice of subject matter has proved most helpful to those who have recently given themselves to Jesus Christ.
