Description

The Holy Spirit is a divine Person

The great truth of the New Testament is that God is a triune God who has revealed Himself to us as God the Father, God the Son, and God the Holy Spirit.

Satan also attacks this fundamental truth of Christianity -he knows that the Christian faith stands or falls therewith. And he has succeeded in taking away the biblical knowledge of the Holy Spirit from thousands of true believers.

How much influence it would have upon our lives to be conscious in a practical way that God the Holy Spirit dwells in every believer and wants to manage our lives!! That He also dwells in the assembly and wants to direct everything according to His thoughts and use whomsoever He will!

Let us then search God's Word and receive into our hearts and make real in our lives that which we find about GOD THE HOLY SPIRIT.
