Description

All four volumes of F.B. Hole's excellent exposition on the New Testament are available individually. A set of these books should grace every believer's spiritual library of important writings to have on hand for reference. Brother Hole's simple but accurate and helpful way of presenting God's truth is easy to read and understand even for young Believers in Christ.

In this commentary on the Gospels and Acts, the author concisely traces the history of the Lord's mission on earth and the continuance of that work by the Holy Spirit through the Apostles. \$33.40

Volume 1 of F. B. Hole's New Testament Commentary Series covers Paul's Epistles from Romans to 2 Corinthians. \$16.40

Volume 2 of F. B. Hole's New Testament Commentary Series covers Paul's Epistles from Galatians to Philemon. \$18.40

Volume 3 of F. B. Hole's New Testament Commentary Series covers the "general epistles," from Hebrews to Revelation. \$24.40
