## Description

This verse-by-verse analysis of one of the most studied books in the Word of God is written from a premillennial perspective.

In the Introduction the author states, *"The Revelation is regarded by many as a mystery, a sealed book. It is not so. It is open for the simple to understand. Explanation of its every symbol may be found by diligent search in some part or other of the Sacred Volume".*

*Exposition of The Revelation of Jesus Christ* is considered by many to be a classic commentary in its field that will help to increase your understanding of future events as well as draw out your heart in wonder as you glimpse the glories of the Lord Jesus Christ.
