Description

This practical study provides a comprehensive history of the kings of Israel as recorded in the books of the Kings and Chronicles. Although these historic accounts differ in presentation and style, they communicate God's work and ever-present guidance throughout Israel's history.

In *Kings of Israel*, C. Knapp not only presents a detailed analysis of contextual differences between the books but also enables readers to discover how each account works together to present the complete picture that God intended.

From Jeroboam to Ahab to Zachariah, the illustrative lessons of Israel's kings continue to teach precious truths and principles that guide us today in living a more fulfilled and meaningful Christian life.

Chapter 9 – Shallum, Menahem, Pekahiah
Chapter 10 – Pekah, Hoshea

Author info: Christopher Knapp (1870-1945) was a devoted student of God's Word. During his early years of ministry, Knapp went to the Bahamas as an evangelist, where he enjoyed a fruitful ministry. Later, Knapp and his wife went to Honduras, Central America, as pioneer missionaries. For five years they sowed the seed of the Gospel, often taking long and arduous journeys into the interior. After contracting malaria, Knapp returned to the States and continued to minister the Word. He continued an effective written ministry almost to the end of his life. Check out this author's other book *Kings of Judah*.
